

Activity Outhouse to Penthouse

Look at your top five Signature themes. Remember, you will achieve more success and grow your knowledge and understanding by handwriting your answers. Answer as little or as much detail as you feel worthy. If you do choose to print this page, you may need five copies, one for each theme. Using the Outhouse to Penthouse Table on the website, input the descriptions of each theme, then answer the questions below.

Theme:
Outhouse and Raw Description:
Describe a time you were using this theme from the outhouse. What were your thought processes, how did you feel and how did those around you respond?
Imagine, how will you manage this situation differently in the future?
Describe how the outcome will be better?
Penthouse and Mature Description:
Describe a time you were using this theme from the penthouse. What were your thought processes, how did you feel and how did those around you respond?
Imagine, how you will intentionally lead from the penthouse?
